HYCON HPP06 POWER PACK

LIGHT-WEIGHT

EASY TO HANDLE

PRODUCT FEATURES

The mantra for the HPP06 is to keep it simple and small – but powerful – the ultimate compact and lightweight power pack.

Being the smallest power pack in the HYCON product range, it is lightweight and easy to handle but will provide sufficient power to operate all 20-lpm tools with very low fuel consumption.

This makes the HPP06 an ideal for rental or light construction business choice.
